REACH A \$72 BILLION MARKET

Want to reach the booming California grocery market? The media vehicles of the California Grocers Association – bimonthly print editions of *California Grocer* and Checkout, CGA's weekly e-newsletter – provide unparalleled access to the No. 1 grocery market in the United States.

California's grocery industry professionals rely on CGA to provide invaluable updates and legislative news. Through CGA's publications, you can get your message in front of every C-Suite executive and every grocery department buyer and re-buyer in the state.

Advertising in California Grocers Association's award-winning publications offers you incomparable reach into California's \$72 billion market.

HERE'S WHY YOU SHOULD ADVERTISE:

1 CALIFORNIA CLOUT

If you're looking to reach the decision makers in the California grocery market, CGA does it. With *California Grocer* you will reach a well-qualified audience of key category buyers at all major grocery chains, regional supermarkets and independent operators, c-suite executives (CEO's and senior level management), convenience store owners and the state's major grocery wholesalers.

2 NATIONAL EXPOSURE

In addition to blanketing the California market, the California Grocers Association also produces *New Jersey Grocer* and *Alabama Grocer*. When you advertise in *California Grocer*, your advertisement can be included in these regional publications as well. This doesn't only get you in front of buyers in these two states, but reaches decision-makers at regional chains. Your message will be seen throughout the greater New York, New Jersey and Pennsylvania markets, as well as the Deep South. **This bonus distribution comes at no additional cost.**

3 VITAL INFORMATION

Being part of the country's most regulated state, CGA members turn to *California Grocer* for up-to-date legislative and regulatory information at both the state and local levels that impacts their bottom line. Plus, CGA's government relations team provides valuable "inside the Capitol" insight and analysis, tailored specifically to the grocery industry. *California Grocer* is the only place that CGA members can access this vital information – ensuring a dedicated readership.

CGA's publications give you unparalleled exposure that you can't get anywhere else in the country.
