TAKE ADVANTAGE OF TRUSTED BENEFITS

Gain a competitive edge and take advantage of the Trust's healthcare purchasing power while leveraging great tools and resources to simplify benefits administration. As a California grocer, you have access to premier health benefits and a suite of value-added administrative services tailored for grocery retailers and their workforce.

Through trusted partners and industry-focused solutions, your organization can provide high-quality, cost effective healthcare coverage that supports your employees, their families, and the long-term success of your business.

TOGETHER, WE'RE MORE

Running a grocery business means balancing rising costs, workforce demands, and daily operations. You need a benefits solution that is easy to manage, saves valuable time and money, and helps attract and retain great employees.

TRUST ADVANTAGES

Recent qualified grocers experienced a -10% reduction in the renewal rates while enjoying robust benefits and program perks such as:
